

MSCI y Bolsa de Valores de Colombia lanzan el índice MSCI COLCAP

NUEVA YORK / BOGOTÁ, 11 de noviembre de 2020 – MSCI Inc. (NYSE: MSCI), proveedor líder de servicios y herramientas para la toma de decisiones críticas dentro de la comunidad global de inversionistas, y Bolsa de Valores de Colombia (**bvc**) el principal operador de la infraestructura del mercado de capitales en Colombia, han acordado una alianza estratégica para la administración del índice **MSCI COLCAP** y para su lanzamiento durante el primer semestre de 2021.

Dado su rol como principal índice accionario del país, el nuevo **MSCI COLCAP** ha sido diseñado para generar mayores elementos de consistencia y transparencia en línea con las metodologías internacionales. La metodología y el cálculo del índice se sustenta en el marco de referencia [Global Investable Market Indexes Methodology](#) de MSCI, proveedor que será el administrador del índice. El índice reemplazará al índice COLCAP lanzado en enero de 2008.

“Este es un gran paso en la internacionalización del mercado colombiano mediante la implementación de la metodología de MSCI, principal proveedor de índices accionarios para mercados emergentes en el mundo,” comentó **Juan Pablo Córdoba, Presidente de bvc**, *“El fortalecimiento de nuestro principal índice con la experiencia y la metodología implementada por MSCI, aumenta la transparencia de este mercado y el atractivo de Colombia y la región como economías en crecimiento y opciones de inversión”*

“Nos complace asociarnos con bvc para impulsar una mayor transparencia dentro del mercado colombiano, por medio del lanzamiento de este índice emblemático”, dijo **Henry Fernandez, Presidente y CEO de MSCI**. *“Los índices de MSCI existen para satisfacer las necesidades de inversionistas internacionales, quienes buscan entender y evaluar las oportunidades globales de inversión establecidas en cualquier país. Esta alianza estratégica representa un avance significativo para MSCI dentro de nuestra misión de impulsar y promover la apertura e interconexión de los mercados financieros a lo largo de América Latina y el mundo.”*

Los índices COLEQTY, COLIR y COLSC seguirán siendo administrados, calculados y distribuidos por **bvc**.

MSCI and Bolsa de Valores de Colombia Launch the MSCI COLCAP Index

NEW YORK / BOGOTA, November 11, 2020 – MSCI Inc. (NYSE: MSCI), a leading provider of critical decision support tools and services for the global investment community, and Bolsa de Valores de Colombia (bvc), the leading operator of the Colombian capital market infrastructure and the Colombian Securities Exchange, have entered into a strategic alliance to launch the MSCI COLCAP Index in the first half of 2021.

As the leading stock market index for Colombia, the new MSCI COLCAP Index is designed to bring greater transparency and consistency to the Colombia equity universe. The Index tracks the performance of securities that trade on the bvc. The methodology and calculation of the Index leverages components of the framework of MSCI’s rules-based [Global Investable Market Indexes Methodology](#) and are being administered by MSCI. The Index replaces the Colombia COLCAP Index that was launched in January 2008 and has been the flagship index of the Colombian market since 2013.

“This is a great step in the internationalization of the Colombian market, through the implementation of MSCI’s methodology, main provider of equity indexes for the emerging markets in the world,” commented **Juan Pablo Córdoba, President for the bvc**. “The strengthening of our flagship index through the global expertise and methodology provided by MSCI, enhances both the transparency of our equity market and the appeal of Colombia and Latin America as growing markets and investment options.”

“We are pleased to be partnering with bvc in driving greater transparency of the Colombian market through the launch of this flagship index,” said **Henry Fernandez, Chairman and Chief Executive Officer of MSCI**. “MSCI’s indexes exist to serve the needs of international investors who want to understand and evaluate the global investment opportunity set in any given country. This strategic alliance represents a significant development for MSCI in our mission to encourage and foster the openness and interconnectivity of financial markets across Latin America and around the world.”

The COLEQTY, COLIR and COLSC indexes will continue to be managed, calculated and distributed by the bvc.
